Yay! Just arrived at the B&B. Nearly sundown, but still time to explore a bit.

I can't believe how beautiful it is here, even in the twilight. This is going to be the best vacation.

Okay, don't laugh. I think I'm lost. Walking 20 mins and can't find my way. Help!

@denniscook I can't see anything really. It's pitch dark and GPS says I'm in a coffee shop in Atlanta. :-/

Just tried calling the B&B and there's no answer. WTH?

- terryaimes [+] Fri 14 May 08:33 via Seesmic

@amysart Yeah, I'm sure I'll be laughing about it later.

- terryaimes [+] Fri 14 May 08:33 via Seesmic

I keep hearing noises. It's probably just little critters, right?

- terryaimes [+] Fri 14 May 08:35 via Seesmic

Thank God! The moon has come out from behind the clouds. :-D

- terryaimes [+] Fri 14 May 08:36 via Seesmic

I think I see something. Going to take a look, wish me luck!

- terryaimes [+] Fri 14 May 08:37 via Seesmic

It's some sort of hunting shack. Not much here. Some empty shells, a table and chair.

- terryaimes [+] Fri 14 May 08:39 via Seesmic

OMG! I swear I just heard a wolf howl.

• terryaimes [+] Fri 14 May 08:40 via Seesmic

@denniscook I know, I know! But I swear it sounded like a wolf.

• terryaimes [+] Fri 14 May 08:40 via Seesmic

There it is again and it sounds closer. I think I'm going to stay in the shack. Calling the B&B again.

• terryaimes [+] Fri 14 May 08:41 via Seesmic

I lost signal here for a few minutes. Don't know what I'd do without twitter right now.

• terryaimes [+] Fri 14 May 08:45 via Seesmic

Shit! There is definitely something outside the shack. Everyone please call the Chestatee B&B and tell them I'm lost.

• terryaimes [+] Fri 14 May 08:47 via Seesmic

I can't believe I've gotten myself into this situation.

• terryaimes [+] Fri 14 May 08:49 via Seesmic

@megreads Will you call Mom and tell her to call the B&B, police, who ever can come help?

• terryaimes [+] Fri 14 May 08:51 via Seesmic

It's growling and scratching. I don't know what to do.

• terryaimes [+] Fri 14 May 08:53 via Seesmic

Now there's more than one. Somebody please help me!

• terryaimes [+] Fri 14 May 08:54 via Seesmic
